

## December 1999 – OE Application Media Content

### CD Disk Customers:

Enclosed in this release are the new CDs with their respective codewords. Each disk will have a new codeword listed on the enclosed CD-ROM Certificate entitled "**Codeword to Install Software**". Each new codeword will unlock all products on the corresponding CD (CORE OS or APPLICATION disk) that are covered by your Hewlett-Packard software support agreement. If the word "none" is listed under codeword by a disk part number that means that no products, you have under support, were updated on that disk. Hewlett-Packard will only send the disk for the CORE OS when there is a significant change that you are required to receive.

Your "**Codeword to Install Software**" certificate will list all products that have an update available that you are entitled to receive according to your software support agreement. Your codeword will unlock any updated products, as well as your remaining unchanged application products.

To assist in the management of your CD set, a list of CDs which together comprise the latest CD disk set follows:
