March 2002 – OE Application Media Content

Managing Your Media for March 2002 Application Release

Reminder: 10.20 Discontinuance

With the approaching discontinuance of HP-UX 10.20 at the end of June 2002, Hewlett Packard has decided not to provide updated patch bundles (Support Plus) after the December 2001 release. The December 2001 application release was the last time any 10.20 application updates occurred.

To assist you in the management of your CD set, a list of CDs, which together comprise the latest CD disk set follows:
