

June 2002 – OE Application Media Content

Reminder: 10.20 Discontinuance

With the approaching discontinuance of HP-UX 10.20 at the end of June 2002, Hewlett-Packard has decided not to provide updated patch bundles (Support Plus) after the December 2001 release.

The December 2001 application release was the last time any 10.20 application updates occurred.

CD-ROM Certificate entitled "**Codeword to Install Software**". Each new codeword will unlock all products on the corresponding CD (CORE OS or APPLICATION disk) that are covered by your Hewlett-Packard software support agreement. If the word "none" is listed un

To assist you in the management of your CD set, a list of CDs, which together comprise the latest CD disk set follows:
