

CERTIFICATE OF LICENSE AND AUTHENTICITY

PRODUCT ACTIVATION KEY - DO NOT DISCARD

Required for software Installation and Future Upgrades
Reproduction of this certificate is strictly prohibited.

This certificate is valid for the copy of SCO VisionFS supplied as part of SCO OpenServer 5.0.5. You may load and use SCO VisionFS on one server computer on which SCO OpenServer 5.0.5 is installed; the number of permitted users is the same as that for the SCO OpenServer, and will increase automatically should you apply additional user licenses to the SCO OpenServer.
